"Scott has provided invaluable business guidance and marketing support to my business in the last year. Not only has he set up my website, resulting in a 300+% ROI in the first two months, but he has also created a viral social media campaign which has resulted in an increase of over 800+% social media followers!"

Connor D
Founder & Owner

"Scott has been a pleasure to work with at The Federation. Extremely capable and great at what he does. His level of detail and application is excellent and he's very much a valued member of the FISSS extended team."

Barry H
Managing Director

"Scott is a great addition to our business, hard working, adapts well to the challenges we face and solves problems, getting results!"

Robert H
Sales & Marketing Manager

"Scott's marketing expertise is unparalleled. His strategic insights and creative approach were instrumental in driving the success of our campaigns. His ability to analyse trends and adapt our strategies accordingly always kept us ahead of the curve."
